

# Good afternoon!

There are some new letters in your mail inbox.

## How to send your first letter! 📧

Are you ready to send your first letter? It's as easy as winking! 🙄  
The first step, of course, is to write your letter - and don't worry about the others steps - we'll handle them for you! 💪

## This is an open source project. 📖

This means anyone can have access to this app source code, including you! We're always open to new contributors! 💡
